## How To Download Your Template

Step 1 : Click the link to open in Canva. Create a username/password if you do not currently have an account and start editing.

Step 2 : Edit fonts, colors, customize texts. Canva automatically saves your work so you can come back to work on it whenever you want.

Step 3 : When you are satisfied with your design you can download the artwork as PDF, PNG or JPEG.

- These templates are only editable with the Canva platform and work on both computer and mobile phone.
- Finals used and downloaded are yours forever.
- Should you come into any problem with the download please send us a direct message through Etsy and we will gladly assist you.
